

Name of Student _____ Present Teacher _____

Ivy League Pre-School prides itself to the commitment of being one of the finest academic Pre-Schools and private Kindergartens in the State of New Jersey. We feel that our curriculum is geared to educate and to inspire our students. Each teacher brings structure, play, kindness, and her loving way and personality into the classroom each day. The director of Ivy League is 100% reachable and dedicated to each child and family. With this in mind, we ask that you complete this short questionnaire telling us about your child, the goals you want for her/him, and the type of classroom environment that your child will do best in. This information will help your director select the best classroom setting for your child.

1. What hobbies and interests does your child enjoy at home?

2. Tell us about your child's personality.

3. What areas of interest make your child happy at school?

4. Are there any allergies that your child may have or other special circumstances you need to share with the director?

5. List any personality qualities or style of teachers that you feel your child responds to best in a classroom setting.

PLEASE SEE OTHER SIDE

6. Please include any other information that you may want to tell us about your child including the goals that you hope are achieved at Ivy League Pre-School.

Thank you so much for taking time to do this. We will do our best to place your child in the class that is most suited for her/him. Remember that we cannot guarantee a teacher that is on our staff this year for the next school year.

Please drop off this questionnaire ASAP in the school office.
