Non Ivy League Students \$230

December 12, 19

January 2, 9, 16, 23, 30

February 6, 13, 20, 27

it's about ART! children's art classes explore the world of art by using creative play, story telling and music. Each project is theme based and will take your child on an artistic adventure as they use their imaginations to unleash their creativity. We will emphasize the element of shape and will feature the artwork and style of 4 famous artists who used shapes in their masterpieces. Children will learn how to recognize shapes in art and everyday objects and they will enjoy using shapes to create their own works of art.
