

The Ivy Ledger

Fall 2018

Notes from Marcy

Now that the school year has begun,
All of our children are having fun.
Our Transition class likes to sing and dance,
All of our kids are having a blast.
Our 2 year olds are on their way,
They learn to listen, follow directions and love to play.
Our 3 year olds had fun learning colors yellow and brown,
They also love pretend play in Ivy Town.
Our 4's learned letters L, C, P, and N and the Numbers 1 and 2,
Wait until you see their journals when the year is through.
I'm proud of my teachers and students as well,
Their academics will soar, you certainly will tell.
I love being your school director, thank you from my heart,
I can certainly confirm that we're off to a fabulous start!

School Notes

The beginning of school proves we're off to a terrific school year. The children come in happy and leave us with wonderful smiles. The Transition, 2 year olds, 3's and 4's, are learning so much and having loads of fun. The children really enjoyed the hayride and had a blast pumpkin picking at Ivy League. Our Fall Fest was enjoyed by all and everyone had a ball marching in the Halloween Parade. Thank you for creating special memories with us!

During the month of November the classes will learn about the Native Americans and the Pilgrims. We will end the unit with a terrific Thanksgiving Feast. We wish all of you a plentiful Thanksgiving! Please review our **"Dates to Remember"**.

Warm Regards,
Marcy Spinner and Staff

Ivy League Pre-School is so excited to welcome back our music teacher "Miss Sherri". Our music program at Ivy League incorporates a developmentally appropriate program of singing, moving, listening, creating, and playing instruments. Music is a natural and important part of young children's growth and development. The children have been having a great time in music and are looking forward to a year full of harmony!

IVY LEAGUE PRE-SCHOOL

Parent Volunteers

At Ivy League Pre-School we are always looking for ways to enhance the school experience for our students and parents through special events, extra curricular activities and fundraisers. All of the proceeds raised by these events will be donated to local charities and go towards special treats for our students.

With the help and support from past years parent volunteers, we successfully organized a Holiday Fair and Scholastic Book Fair. The earnings from these events were generously donated to local charities.

We always look to support our Ivy League families and local charities. If you have a charity that you would like us to support please stop by the school office and let us know. We would love to help!

We were also able to treat our students to a Magic Show and Ice Cream truck treat at the end of the school year and purchased many new books and extra supplies for our classrooms.

Our goal for the 2018/2019 school year is to plan even more events, organize fundraisers, and raise more money for local charities.
