**Ivy League offers a safe,
caring environment that
will guide your child on
their educational journey.**

Our Goals

The philosophy of Ivy League Pre-School is based on the critical development that occurs during the first five years of a child's life, the formative years. We believe that each child should have the opportunity to reach their highest level of achievement academically, socially, emotionally, and physically. At Ivy League Pre-School, each child has the opportunity to discover, create, and grow in a safe, healthy, warm, and academic environment.

IVY LEAGUE PRE-SCHOOL
IN A LEAGUE OF OUR OWN

Why Register

Our curriculum is academic in nature, and encourages children to work to their full potential.

Our teachers provide guidance, creativity, and encouragement to make learning fun, new, and exciting!

Our environment is safe, caring, and warm allowing your child to feel comfortable and excited to come to school.

Our Program

IVY LEAGUE SPIRIT

We encourage an open relationship between students, teachers, and parents. We believe in ongoing communication and collaboration. Our program and activities in the classroom promote development of large motor skills, small motor skills, conceptual skills, social skills, and emotional skills.

THE FACULTY

Our teachers and assistants are trained professionals who are very nurturing, dedicated, and love what they do. Teachers at Ivy League integrate many different learning styles, differentiate instruction, and take a multi-sensory approach to accommodate every child's needs.

FACILITIES

Our objective is to nurture children and send them home happy, satisfied, and bubbling with enthusiasm about their experience in school!
